A promotional image for the DANTE theme. On the left, a dark grey box contains the DANTE logo (a red diamond) and the text "A next-level multi-purpose theme." Below this is a list of features: "Responsive & Retina-Ready", "Swift Page Builder", "27 Pre-Built Pages", "7 Headers Types", "9 Portfolio & 11 Blog Types", "Shop - WooCommerce 2.3+", "BBPress & BuddyPress", and "And so much more!". At the bottom of this list are flags for 12 countries. In the center, a smartphone displays a user profile for "Elizabeth Bennett". To the right, a desktop view of the theme shows a dark header with the text "If you want to take it to the next level, you came to the right place." and a "YOU ARE HERE" button. Below the header are three columns of features: "Powerful yet simple", "Quick and easy to use", and "100% for any purpose". Further down, a "Latest Projects" section shows four project thumbnails, including one labeled "SAAP". At the bottom, a statistics bar shows four numbers: 52828, 169, 23, and 6720, each with a small icon above it.
